RID GREASE

The Industrial Strength Cleaner

UNSCENTED

NO AMMONIA

NO BLEACH

**IT'S AMAZING WHAT A LITTLE
RID GREASE™ CAN DO**

The Industrial Strength Cleaner

RID GREASE™ is a superior multipurpose cleaner with amazing cleaning properties

Rid Grease™ is water based - unlike most of the other products in this range and is suitable for all washable surfaces, bathrooms, kitchens, No - Wax floors, vinyl, tiles, P.U. Flooring carpets and upholstery.

Rid Grease™ is highly recommended for cleaning and bringing metal parts, car engines etc to original brightness. Soak in or wipe clean with Rid Grease™ solution and see the grease melting away

Rid Grease™ starts cleaning from the point where other cleaning agents stop

DIRECTIONS

Can be used in Diluted or 100% Concentrate form

Recommended Dilution : Formulation to Water Ratios

General Cleaning 1:9,

Spot Cleaning 1:5

Stubborn Spots vary upto 100% concentration

CAUTION

Avoid contact with eyes,
if it comes in contact with eye - flush with water for 15 minutes,
if irritation persists seek immediate medical help.
For prolonged use wear gloves.
Keep out of reach of children.
